 DISQ = Desclassificado ("Disqualified")

*Para esclarecimentos, destacamos alguns artigos do regulamento que têm relação direta com os resultados:

Artigo 3: Para participar de um brevet, cada randonneur deve preencher adequadamente o formulário de inscrição, conhecer o Regulamento e concordar com o Termo de Responsabilidade e Aptidão Física e confirmar sua inscrição por meio do pagamento da taxa para cada evento. Uma completa avaliação médica é fortemente recomendada a cada participante.

Artigo 7: Cada randonneur deve fornecer ele mesmo todas as demandas para a realização de seu brevet. Nenhum serviço organizado de instrutores, apoios, sinalizadores com carro seguindo o ciclista é autorizado no percurso entre os pontos de controle. O acompanhamento, a parada e/ou o apoio fora dos PC's, seja por carros ou bicicletas, são terminantemente proibidos e a circulação de carros de apoio em alguns trechos de determinados percursos também poderá ser impedida. Os participantes que infringirem este artigo serão imediatamente eliminados sem apelação. Cada participante deve ter comportamento e atitudes corretas, o que inclui respeitar os demais participantes, staff, organização, leis de trânsito, regulamento do Clube Audax Floripa e do evento e não descartar lixo no chão ao longo do percurso e/ou nos PC's.

Artigo 9: Cada randonneur receberá no seu kit uma carta de rota (planilha do percurso) e um passaporte para registro obrigatório de passagem pelos Postos de Controle (PC's). É de sua responsabilidade a guarda e integridade deste documento, que deverá ser entregue na chegada. Em caso de perda do passaporte após o PC1, o participante será desclassificado. Os organizadores podem igualmente prever um ou mais controles secretos, por esta razão, e por exigências do seguro, o participante deve respeitar o itinerário que lhe será entregue na largada. O percurso de cada brevet estará disponível no site do Audax Floripa para consulta e download para equipamentos/aplicativos com GPS para uso durante a prova pelo participante que assim o desejar. A versão final estará disponível até cinco dias antes da data da largada, considerando que, se necessário por questões logísticas e/ou de segurança, a organização pode promover alterações no percurso.

Artigo 10: Na falta de controle com staff onde designado pelos organizadores, o randonneur deverá comprovar sua passagem com cupom/nota fiscal de comércio/ estação de serviço na localidade ou com foto e informações sobre o local e horário. Em cada CP (controle de passagem), é obrigatório parar, colocar os pés no chão e informar o número ao fiscal, sob pena de desclassificação. Em cada PC (posto de controle), a data e a hora de passagem devem ser registradas no passaporte. Um carimbo em falta, uma hora de passagem não mencionada, o número não informado ao fiscal de CP ou a perda do passaporte (a qualquer distância que seja a partir do PC1) provoca a não homologação do brevet. Cada participante é responsável por controlar o seu passaporte e garantir sua integridade até sua entrega na chegada.

Artigo 12: Qualquer fraude provocará a exclusão do participante de todas as organizações do Audax Club Parisien.

Artigo 15: Um participante não pode efetuar uma outra prova quilométrica sob todo ou parte do percurso de um Brevet de Randonneurs Mondiaux (BRM). O randonneur que não cumprir fielmente o percurso de cada brevet será desclassificado a qualquer tempo se houver comprovação dos controles oficiais da prova.
